

REMARKS

*Double Patenting*

Claims 1 and 1-4, 6, and 7 stand rejected due to obviousness-type double patenting over claims of Ser. No. 10/520,912 (U.S. Pub. No. 20060098060); 10/504,474 (2005/0231553); and U.S. Patent 7,331,654. Terminal disclaimers have been provided to overcome these rejections.

*Conclusion*

A favorable decision is solicited. If a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,

/Joseph A. Yosick/
